

Quality Assurance Policy

Rennie Harris University monitors and evaluates all its systems, policies and procedures for the delivery of regulated qualifications to ensure they are in line with regulatory General Conditions of Recognition.

Continuous improvement is assured through ongoing monitoring by the board of advisors and through evaluation surveys from graduating students and course participants. By constantly reviewing our courses we can ensure public confidence in the quality of all Rennie Harris University and ongoing training.

Prompt action is taken to address any weakness identified, and this monitoring forms part of Rennie Harris University's annual self-assessment activities and reviews.

Rennie Harris University will also monitor and evaluate the following to better inform our processes:

- Malpractice /maladministration events
- Reasonable assessment adjustment and special consideration requests
- The nature and number of enquiries and appeals

Ensuring the Standards of Our Qualifications Courses and Ongoing Training

Rennie Harris University has a responsibility to all learners undertaking our qualifications, to ensure that we stay in accordance with relevant global standards of academia and the neighborhoods in which hip hop and street dance continues to evolve and thrive.

To ensure we meet these standards, Rennie Harris University has a set, monitored internal and external verification process for its Hip Hop and Street Dance Certification. Including a monitored internal verification process for all other courses and ongoing training.

Our internal quality assurance systems for our certification are checked and monitored by the external verifiers and re-assessed by ourselves annually.
